## 1. INTRODUCTION

In frame of project nr. EFOP-3.6.2-16-2017-00017 „Sustainable, intelligent and inclusive regional and city models” University of Pécs announce **Research Scholarship** for foreign tutors and researchers within the scholarship program. **Altogether 40 guest researchers** are expected to work in the research topics from EU/EGT member states as well from the Carpathian Basin within the scholarship program.

The objective of the program is to raise the number of researchers at the consortium members from EU/EGT member states as well from the Carpathian Basin. The scholarship program fosters to establish and raise the international embeddedness of the researches, to build international connections and to prepare the future common researches, applications and publications, furthermore, to strengthen the professional cooperation and networking amongst the consortia in the frame of the project.

## 2. APPLICATION FRAMES

### 2.1. PERIOD OF THE SCHOLARSHIP PROGRAM

The duration of the Foreign Tutors’ Research Scholarship program: 1st July, 2018 – 31st October, 2020. **The grant period** is 1 month from **24<sup>st</sup> March 2020** to **31<sup>st</sup> October 2020**:

- The applicant is required to spend min. **1 week** at the University of Pécs, just as, verified and active outwork is expected in the remaining time of the period.

### 2.2. TARGET AUDIENCE

Tutors, researchers from EU/EGT member states and from the Carpathian Basin can apply for the scholarship.

- **Young researcher:** PhD student or PhD candidate in the beginning of the carrier (whose first MA degree is max. 10 years old, in case of the second postgraduate MA, the first MA degree is max. 12 years old – except the maternity leave)
- **Post-doctor:** PhD researcher who has at least 3 years of work experience at a research institute or higher education and has at least 5 publications, including articles in national or international journals, books, and book chapters.
